Messaging Services

TERMINATION
& ORIGINATION

OUR GLOBAL REACH

Impact Telecom provides SMS termination services in the U.S. and Canada as well as to more than 850 mobile operators worldwide to a large number of domestic and international enterprise and service provider customers.

SMS ROUTING OPTIONS

U.S. AND CANADA SHORT CODES

Impact Telecom offers a choice of sending and receiving messages via 5 or 6-digit short codes with one short code to cover all U.S. mobile operators and one code to cover all Canadian mobile operators. New short codes are available, or transfer an existing dedicated short code.

INTERNATIONAL LONG CODES

Impact also provides international long codes, which are virtual phone numbers with coverage to more than 850 MNOs worldwide. Currently available in the U.S., Canada, Australia, Brazil, China, Colombia, France, Germany, India, Mexico, Philippines, Poland, U.K. and many others.

INTERNATIONAL SHORT CODES

Impact Telecom offers short codes to many countries worldwide. Send and receive messages via 5-digit short codes.

ONE-WAY INTERNATIONAL A2P ROUTES

For international A2P routing, Impact offers alphanumeric sender IDs where available and local number portability.

INTERCARRIER P2P SMS AND MMS

Impact's P2P solution offers SMS and MMS messaging interoperability for fixed-line, VoIP, cable and mobile operators, supporting GSMA and relevant standards and multiple protocols.

Impact Telecom - Impact Global Mobility Solutions

Impact Global Mobility Solutions is a leader in the global messaging market providing advanced-technology messaging products and solutions for wireless, fixed-line and VoIP carriers worldwide facilitating the seamless exchange of SMS and MMS. We operate next-generation messaging networks that manage the inter-carrier exchange of wireless data traffic between mobile network operators (MNOs) around the world.

Impact connects to mobile operators for the purpose of message origination and terminates messages within our network of 850+ MNOs.

Impact Global Mobility Solutions is part of Impact Telecom, a leader in the telecommunications market delivering flexible and effective solutions to carriers, businesses and homes. We are comprised of a family of brands, all dedicated to innovation, affordability and execution. Impact Telecom owns and operates a state-of-the-art Voice over IP network carrying billions of minutes and messages every month, including one of the largest implementations of an IP-based network connected to a nationwide Feature Group D (FGD) network.

Led by an experienced team of professionals, Impact is committed to delivering quality services at competitive rates. With decades of industry expertise throughout the organization, Impact has an understanding of the challenges customers face selecting a telecommunications provider. Impact Telecom focuses on customer service, technology innovation and operational efficiency.

INNOVATIVE SOLUTIONS. CUSTOMER SATISFACTION. MEANINGFUL SAVINGS.

Our commitment to our customers is the foundation of our success, and we take it very seriously.
