

# Impact Envoy Messaging Center

CLOUD  
MESSAGING  
PLATFORM

## INTRODUCING THE FASTEST, MOST RELIABLE CLOUD MESSAGING PLATFORM

Our cloud messaging platform, Envoy Messaging Center, allows you to send bulk and individual SMS messages to nearly limitless group sizes and destinations. Our platform supports P2P (Person-to-Person), A2P (Application-to-Person) and M2M (Machine-to-Machine), enabling two-way secure communication. It also includes management and reporting tools, as well as options for U.S. and Canada short codes, international short and long codes, and one-way international A2P routes. It's an easier, faster, and less expensive means of communication for your business with no upfront investment needed.

**? DID YOU KNOW THAT 90% OF SMS MESSAGES THAT ARE DELIVERED ARE OPENED AND READ WITHIN 3 MINUTES OF ARRIVAL?**

### INDUSTRY USES

## Impact Global Mobility Solutions

Impact Global Mobility Solutions is a leader in the global messaging market providing advanced-technology messaging products and solutions for wireless, fixed-line and VoIP carriers worldwide facilitating the seamless exchange of SMS and MMS. We operate next-generation messaging networks that manage the inter-carrier exchange of wireless data traffic between mobile network operators (MNOs) around the world.

Impact connects to mobile operators for the purpose of message origination and terminates messages within our network of 850+ MNOs.

Impact Global Mobility Solutions is part of Impact Telecom, a leader in the telecommunications market delivering flexible and effective solutions to carriers, businesses and homes. We are comprised of a family of brands, all dedicated to innovation, affordability and execution. Impact Telecom owns and operates a state-of-the-art Voice over IP network carrying billions of minutes and messages every month, including the largest implementation of an IP-based network connected to a nationwide Feature Group D (FGD) network.

Led by an experienced team of professionals, Impact is committed to delivering quality services at competitive rates. With decades of industry expertise throughout the organization, Impact has an understanding of the challenges customers face selecting a telecommunications provider. Impact Telecom focuses on customer service, technology innovation and operational efficiency.
